Workshop Kits

Once you decide on a workshop, let's discuss whether it makes sense for me to provide some or all of the supplies for the class. Together, we can determine the kit price per student.

PROCESS for Presentations and Workshops

Choose a presentation or workshop from one of the lists in links above. To book, email me at knitandcrochetwithsuzann@outlook.com, include which program and dates you are interested in, and a phone number where I can reach you.

I will phone you to discuss the details, and find out more about your group, so we can tailor the presentation or workshop to your group's specific needs.

When we have ironed out the details, I will email you the following:

- Photos and text for you to use in promoting the event
- Estimated travel costs
- For workshop bookings, a list of supplies for the participants to bring or the price for a full or partial supply kit.

A few weeks before the event, I will contact you to confirm arrangements.
